Important billing information:

- Payment is due no later than 15 days from the bill date. If received later than 28 days from the bill date, your account will be delinquent and may be subject to a late payment charge of 1.5% + tax per month. If your power is shut off for nonpayment, you will need to pay the past due amount before service will be turned back on.
- We may require a deposit if an account becomes delinquent with two or more bills, or has been disconnected for nonpayment within a 12-month period. Deposits may also be required for customers with a non-residential service plan who do not meet certain financial conditions (as determined by APS using a credit scoring worksheet).

Glossary of Terms

Customer account charge - The minimum charge for having service available, whether you used electricity or not.

Billing - The cost of calculating and providing your monthly statement.

Delivery service charge - A charge, based on your kWh usage and/or kW demand, to build and operate the equipment for delivering electricity, including lines, poles, transformers and substations.

Demand charge (residential customers) - A charge for the single highest hour of on-peak energy used during a billing cycle – averaged over an entire hour.

Demand charge (business customers) - Varies per service plan. Please see aps.com for details.

Environmental benefits surcharge - A charge to cover the costs of programs approved by the Arizona Corporation Commission, including: energy efficiency and renewable energy projects.

Federal Environmental Improvement Surcharge - A charge to recover a portion of the cost of investments and expenses for environmental improvements at APS' generation facilities designed to comply with environmental standards mandated by federal laws or regulations.

Franchise fee - A charge by a municipality for APS' use of the public rights-of-way for its facilities.

Generation of electricity off-peak - The cost of producing the electricity used during off-peak hours.

Generation of electricity on-peak - The cost of producing the electricity used during on-peak hours.

Grid access charge - A charge to recover some of the fixed costs of electric grid facilities that a customer with rooftop solar would not otherwise pay for through kilowatt-hour charges. Only applicable to customers with new rooftop solar who are billed on a non-demand rate.

Generation of electricity - The cost of producing the electricity you used this month.

Meter reading - A fixed fee to determine your energy use.

Metering - A fixed fee for providing and servicing the meter.

Power supply adjustment - An adjustment mechanism to recover fluctuations in fuel and purchased power costs.

Regulatory assessment - A cost imposed on customers of state regulated utilities to help fund the Arizona Corporation Commission and Residential Utility Consumer's Office.

Super off-peak charge - The cost of electricity used during super-off peak hours (applies to the Saver Choice plan only).

Systems benefits charge - A charge to cover the costs of programs approved by the Arizona Corporation Commission, including low-income assistance, demand side management, customer education, environmental, renewables, long-term public benefit research and development, nuclear fuel disposal and nuclear power plant decommissioning programs as well as other programs approved by the Commission.

Federal transmission and ancillary services - The cost for moving high voltage electricity from generating facilities and other sources to the APS distribution lines.

Federal transmission cost adjustment - A cost, based on your kWh usage, to adjust for annual changes in transmission-related costs procured to serve retail customers.

LFCR adjustor - A charge to recover fixed costs of providing service, such as power poles, wires, and other delivery infrastructure, that are lost due to mandated energy efficiency and rooftop solar.

Your safety is our priority. Please remember:

- Treat all wires with caution. Always assume a downed line is energized.
- Stay away from electrical equipment and substations.
- Electricity seeks all paths to ground. Never put yourself in a position to become a part of the path by touching energized equipment.
- If your vehicle comes in contact with a downed wire, stay in the vehicle and call 911 and then APS.
- Do not use water on an electrical fire. Call 911. If possible and if safe, unplug the device or turn off the main breaker.
- Call 811 at least two full working days before you excavate.
- Visit aps.com/safety for more electrical safety tips.

ADDITIONAL PUBLIC COMMENT MEETINGS TO BE HELD ON
ARIZONA PUBLIC SERVICE COMPANY'S ("APS's") RATE APPLICATION
DOCKET NO. E-01345A-19-0236

Summary

On October 31, 2019, APS filed a Rate Application with the Arizona Corporation Commission ("Commission"). An evidentiary hearing for the Rate Application is currently scheduled to commence on January 14, 2021.

The Commission is not bound by the proposals made by APS, the Commission's Utilities Division, or any Intervenor. The Commission will determine the appropriate relief to be granted in response to APS's application based on the evidence presented in this matter. **The final rates approved by the Commission may be higher, lower, or different than the rates proposed by APS or by other parties.**

How You Can View or Obtain a Copy of the Application

Copies of the application are available from APS by visiting www.pinnaclewest.com/ratecase; at the Commission's Docket Control Center at 1200 West Washington Street, Phoenix, Arizona, and the Commission's office at 400 West Congress Street, Suite 218, Tucson, Arizona, during regular business hours; and on the Commission's website (www.azcc.gov) using the e-Docket function. During the COVID-19 pandemic, access to APS and Commission offices may be restricted.

All documents filed in this docket are available online (usually within 24 hours after docketing) at the Commission's website (www.azcc.gov) using the e-Docket function and Docket No. E-01345A-19-0236.

ADDITIONAL TELEPHONIC PUBLIC COMMENT MEETINGS

The Commission has scheduled the following additional **telephonic public comment meetings**:

Date	Time
Monday, January 11 , 2021	6:00 p.m. to 8:30 p.m., or until the last caller is finished speaking, whichever comes first
Thursday, January 14 , 2021	10:00 a.m. to 12:30 p.m., or until the last caller who is on the line by 12:30 p.m. has finished speaking, whichever comes last

To provide telephonic public comments, call **1-866-705-2554** and enter this code: **241497#**

The Commission will impose a **three-minute time limit per speaker**, to maximize the number of callers who have an opportunity to speak. That time limit may be extended by the presiding Administrative Law Judge.

There may be a significant wait time to speak, and callers will be muted until it is their turn to speak. However, once placed into the proceeding, callers will be able to hear the comments of other callers through the phone line. Callers should **turn off their computer audio** during the public comment meeting, as the **live stream on azcc.gov is delayed by 28 seconds** and may cause feedback when it is the caller's turn to speak.

The Commission encourages callers to **use landline telephones** for the telephonic public comment meetings, as mobile telephones do not consistently provide adequate audio quality to permit the verbatim transcription of telephonic speech. If a caller cannot be sufficiently understood to make an accurate transcription, the caller will be requested to file written comments in the docket.

Each telephonic public comment meeting will end when the last caller on the telephone line has had an opportunity to speak or at the designated end time, whichever occurs first.

Written public comments may be submitted by mailing a letter referencing Docket No. E-01345A-19-0236 to Arizona Corporation Commission, Consumer Services Section, 1200 West Washington Street, Phoenix, AZ 85007, or by submitting comments on the Commission's website (www.azcc.gov) using "Cases and Open Meetings" and "Make a Public Comment in a Docket." For assistance, you may contact the Consumer Services Section at 602-542-4251 or 1-800-222-7000.

ADA/Equal Access Information

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation, as well as request this document in an alternative format, by contacting the ADA Coordinator, Carolyn Buck, E-mail CDBuck@azcc.gov, voice phone number 602-542-3931. Requests should be made as early as possible, and at least 48 hours before the proceeding, to allow time to arrange the accommodation.
